### St Anthony's Parish Pastoral Council

Father Sunith formed the PPC to support and encourage the spiritual growth of the parish and our community here at St Anthony's. We (more information on us is displayed in the Narthex) have been working together now for just over 2 years. This means:

- providing opportunities for people to grow and deepen their faith;
- creating a stronger community by promoting events where people can get to know each other and hopefully enjoy each other's company;
- ensuring both now and for the future our faith in Jesus Christ in our own lives, the life of our parish and the life of the wider community.

We have promoted various events over the last 2 years. These have included: parish pilgrimages; the annual summer parish picnic; 24 hour prayer vigils; Lenten and Advent talks; the Christmas Fair; and supporting the Penge Festival. To celebrate the close of this Year of Mercy a special service of reconciliation will be held during the weekend of the feast of Christ the King.

We want to make sure we are working for and with the Church community and particularly with all the different groups that keep our parish thriving. We want to hear from all those who do this. We hope very much that you will support us in thinking about how we might work together and support each other and the parish.

A meeting will be held at 1930 – 2100 in the Parish Centre on Thursday, 20th October. The meeting will start and finish with some social time (with cheese and wine provided by members of the Parish Pastoral Council) so we can get to know each other and the PPC can listen to what you have to say. If you would like to attend, please speak to one of us or email stanthonysppc@gmail.com by Tuesday 18th October.

**Notices for the newsletter need to be emailed/posted to the presbytery by 6pm on Thursdays.**
